Budget Blueprint

Budget Day Sheet

15–30 minutes with your box, once a week. Use one sheet per week, or as many sheets as your week needs. Keep them together, and by the end of the month you'll have your month's total. Add each week's totals to the Month Total sheet.

Week # _____ **Week of** _____ **Page** _____ **of** _____

Budget day _____ **Start time** _____

Paydays

Date	From	Amount

Money in

Bills

Paid ✓ when it's paid

Who	Amount	Due date	Paid ✓

Bills total

Spending

every receipt from the box

Date	Store	Amount	What for
Sticky note total (vending, snack box, coins)			

Spending total

Money in	− Bills	− Spending	= What's left

Tip: color it in like the planner — green = paid soft orange = past due

Budget Blueprint

Month Total

At the end of each week, copy the totals from that week's sheet(s) here. If a week took more than one page, add those pages together first.

Month _____ **Year** _____

Week	Money in	Bills	Spending	What's left
Week 1				
Week 2				
Week 3				
Week 4				
Week 5				
Month total				

What's left = Money in – Bills – Spending

Notes for next month
